An act to require First Aid, CPR and AED training for K-12 certified and classified educators in the state of Kentucky.

Be it enacted by the Youth Assembly of the Commonwealth of Kentucky

Section 1: Districts will be required to offer First Aid, CPR and AED training for all certified and classified employees.

Section 2: These certifications will be renewed every two years in order to maintain compliance with the American Red Cross standards.

Section 3: School districts must schedule trainings with their local Red Cross Chapter (Louisville Area Chapter, South Central Kentucky Chapter, Western Kentucky Chapter, Bluegrass Area Chapter, Eastern Kentucky Chapter) OR arrange for teachers and staff members to take the training at a class offered locally or on-line.

Section 4: Training sessions cost $50 per person when a group schedules a course to be administered at the school facility by an American Red Cross representative, $90 to take the class at a scheduled Red Cross Chapter site, or $25 to have certified staff take the course on-line.

Section 5: Funding for this initiative will be generated from a .25% wholesale tax increase on beer and wine which will make this tax equal to distilled spirits tax in our state.

Section 6: Any funding not utilized by December 31st of the calendar year will be donated equally to the five local Red Cross Chapters.

Section 7: Certification information will be maintained at the local board office—copies of digital certificates and/or American Red Cross issued cards. Information regarding certification/training will be public through the School Report Card (SRC) published yearly on the Kentucky Department of Education website.

Section 8: School
