KENTUCKY YMCA YOUTH ASSOCIATION
KENTUCKY YOUTH ASSEMBLY (KYA)
CONFERENCE STUDENT CODE OF CONDUCT AND DRESS CODE

The purpose of this Code of Conduct is to identify personal behavior that is consistent with the purpose and objectives of the Kentucky YMCA Youth Association. The items within the Code are designed to protect the welfare of the program for current participants and future generations. A participant's personal behavior reflects upon one's self, one's Student YMCA, and the Kentucky YMCA. Registration in any Kentucky YMCA conference program indicates personal acceptance of the Code of Conduct. Any student sent home for violation of this Code will be at the expense of parent or guardian.

EXPECTATIONS OF PARTICIPANTS

1. Each delegate shall conduct himself/herself in an orderly and responsible manner before, during, and after all functions of the Kentucky YMCA conference programs.
2. All participants share the responsibility for their actions equally when violations of the Code are witnessed. Those who choose to be present when a violation occurs and do not immediately act to remedy and report the violation shall, by their own choice, be considered participants in the violation. In relation to this Code, there are no "innocent bystanders."
3. No delegate shall leave a Kentucky YMCA function unless the approval of his/her advisor AND the director of the program is secured. The delegate must be picked up and returned by a parent or legal guardian who must take responsibility for the delegate in writing.
4. Each delegate is legally and financially liable for the removal, defacing, or willful damage to public or private property. Any act of vandalism, destruction of property, or misuse of a facility may be a crime and will be treated as a potential criminal violation.
5. Food (including gum and candy) and beverages other than water (including those sold by the hotel) are not permitted in any meeting sessions.
6. Cell phones, music players, or other wireless communications devices are not to be used during any meeting session.
7. The use of tobacco products, burning of incense, possession of alcoholic beverages, and the use of legal or illegal drugs not in accordance with a prescription is forbidden at any Kentucky YMCA function.
8. Youth delegates may not enter rooms other than those assigned by the Y-Staff or advisor.
9. Physical intimacy between participants of any gender is inappropriate at all times while at Kentucky YMCA Youth Association Programs and is prohibited.
10. All delegates shall be in and remain in their assigned rooms by scheduled curfew and doors shall remain closed until scheduled end of curfew.
11. Badges shall be worn ONLY by the individual whose name is on the badge. Badge switching or sharing is strictly prohibited. Participants will wear their assigned badges at all times when they are not in their sleeping rooms, and must be visible at all times. Badges are to be worn around the neck and are not to be defaced, decorated, or altered in any way. There may be a charge for replacement badges.
12. Unless there is a fire, participants will not pull the fire alarm. Pulling a fire alarm is a serious offense, and any participant who does so will be held financially and potentially criminally liable. Hotel alarms automatically summon the fire department and create a great inconvenience and fear for the hotel and other guests.
13. Use of personal vehicles by students during Kentucky YMCA conferences is strictly prohibited.
14. Weapons of any kind and items that could cause injury or damage to participants and/or property are strictly forbidden.

VIOLATION OF EXPECTATIONS

All violations of this code of conduct are to be brought to the attention of the Y-Staff. Participants found to be in violation of the above expectations will be subject to disciplinary actions at the discretion of advisors and the Y-Staff including but not limited to: calls to parents/guardians; incident report filed; participant sent home; school policies implemented. If state or federal law is broken, Y-Staff will notify parent/guardian and law enforcement and participant will be sent home. At all times the Y-Staff reserves the right to alter disciplinary actions at their discretion.

ROOMING POLICY

I understand that conference delegates are typically housed four (4) to each room and that in order to participate in this program; I must share a room and bed with at least one other student of the same sex from my delegation. I may be roomed with students of the same sex from another delegation, in which case I will not share a bed with a person from another delegation. I further understand that I may not room with anyone other than YMCA conference delegates

-- not an advisor, parents, or other relatives -- without expressed notarized* parental consent (*notarization only required if student rooms with adult other than parent/legal guardian), and permission of Executive Director of the Kentucky YMCA. I also understand that I may not room alone.

REFUND POLICY

I understand that all fees are non-refundable. In the case of extenuating circumstances, a portion of the payment may be refunded by action of the Executive Director based upon written request from the student or parent.

PARTICIPANT DRESS CODE

KYA is a professional development experience. While at KYA, students are expected to abide by the following dress code. Conference name badges are part of this dress code and must be worn for all conference functions. Anyone not in compliance with the dress code may be asked to change clothes. Advisors will be notified of any violations. Kentucky YMCA staff reserves the right to consider removal of Delegation of Excellence from any delegation with three (3) or more reported dress code violations. ****Dress code will be enforced by delegation advisors.****

Bill # School Topic Notes for speeches and questions

BE A BETTER DEBATER!!! READ THESE HELPFUL HINTS AND TIPS:

- **ALWAYS ADDRESS THE CHAIR!** "Harry Potter, Hogwarts Gryffindor, Sir/Madam Chair."
- **TECHNICAL QUESTIONS**
 - READ the bill before you decide on your question. DON'T ask questions that are already in the bill. For example, "When will this bill go into effect?" and "How much will this bill cost?" are *usually* answered in the Body of the Bill.
 - Don't ask questions that begin with "WHY...?" Those are almost *always* debatable.
- **WHAT YOU MAY DO DURING PRO/CON DEBATE**
 - Each time you are recognized, you may do ONE or TWO of the following things:
 - Ask the sponsor(s) a *technical* question about the bill
 - Ask the sponsor(s) a *debatable* questions about the bill
 - Give a speech for or against the bill
 - Yield your remaining time to another delegate
 - If you would like to ASK A QUESTION (or a series of 2 questions), when you are recognized, say, "**Will the sponsor(s) yield to a question (or 'series of questions')?**"
 - If you would like to SPEAK OR YIELD YOUR TIME AFTER ASKING A QUESTION, you should also say, "And I reserve my right to speak (or 'yield my time') afterward."
 - If you would like to YIELD YOUR TIME AFTER SPEAKING, you should reserve your right to do so after addressing the chair.
 - EX: "Hermione Granger, Hogwarts, Sir Chair. I reserve my right to yield the remainder of my time to Delegate Malfoy from Hogwarts Slytherin."

1 An act to require all teachers to be certified in CPR.
2

3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4

5 Section 1: Concerned that cardiac arrest is one of the leading causes of death in America, and
6 Kentucky, and that out of the 326,000 cases of cardiac arrest each year in America, and the 4,000 in
7 Kentucky, 90% are fatal; Alarmed that not all teachers in Kentucky are CPR (cardiopulmonary
8 resuscitation) certified; Aware that if by-stander CPR is administered, the chances of survival increase
9 2-3 times.

10

11 Section 2: Calls upon all school districts of Kentucky, public and private, to work with organizations,
12 such as Start the Heart and American Red Cross, to certify teachers in CPR. This action would not only
13 take the extra precaution to save lives in the classroom, but if the issue were to arise in a public or
14 private domain, their knowledge could be used to save a life.

15

16 Section 3: Funding for this bill would be minimal, because CPR training can typically be found free of
17 charge.

18

19 Section 4: This bill will be enforced by the school district’s superintendent. Noncompliance will have 3
20 offenses:

21 • 1st offense: Private warning against the school

22 • 2nd offense: Monetary fine of \$200 and public exposure of the school

23 • 3rd offense: Suspension of school certification until all teachers are in compliance.

24

25 Section 5: This bill will go into effect on January 1, 2017. Teachers will have until August 1, 2017 to
26 obtain their certification. The district shall provide a minimum of three opportunities for certification;
27 however, valid on-line certification will also be acceptable.

- 1 An act to reward blood donors in Kentucky with a charitable contribution tax credit.
- 2
- 3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
- 4
- 5 Section 1: As taken from the American Red Cross website, "Although an estimated 38 percent of the
- 6 U.S. population is eligible to donate blood at any given time, less than 10% of that eligible population
- 7 actually do each year. Every two seconds someone in the U.S. needs blood." Giving incentives to those
- 8 who give blood could increase donors. This incentive could provide a noticeable increase in donors and
- 9 could help solve the problem of a lack of blood in the state of Kentucky.
- 10
- 11 Section 2: This proposal would allow anyone who donates blood to receive charitable contribution tax
- 12 credits toward their Kentucky state taxes.
- 13
- 14 Section 3: People are able to donate one pint of blood every two months. Every time a person donates,
- 15 they will receive a \$100 tax credit toward charitable contributions. The Blood Center (eg. Red Cross)
- 16 would issue them a charitable contribution receipt stating their donation and the \$100 charitable
- 17 contribution tax credit.
- 18
- 19 Section 4: This bill would not cost the government or the people anything since these are just
- 20 charitable contribution deductions.
- 21
- 22 Section 5: There would be no penalty needed as these are voluntary contributions and donors may
- 23 choose whether or not to claim the charitable contributions deductions on their taxes.

1 An act to ban smoking in all indoor public places in the state of Kentucky.
2

3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4

5 Section 1: Smoking is very dangerous and the effects are devastating, not just for the smokers, but the
6 non smokers alike. In Kentucky, 30.2% of the residents smoke. Kentucky has been the state that
7 smokes the most in the United States since 2008. Being affected by as much smoke as this, can cause
8 lung tumors and memory loss due to clogged arteries. This is a negative for the citizens of Kentucky.
9

10 Section 2: This bill would require that smoking be abolished in all indoor places and that business would
11 be required to post large, visible signs indicating that smoking is not allowed.
12

13 Section 3: Due to the extensive list of illness caused by smoking and second hand smoke, this bill will
14 help reduce medical costs in the state of Kentucky. The people regulating this bill will be police and
15 government workers. The only cost for implementing this bill for is the salary of these professionals.
16 Since enforcing this law would become a regular part of their job, there will be no extra cost to the
17 state. If a person spots someone smoking in an indoor place, you should tell the manager and inform
18 them to contact the non-emergency number of the county police.
19

20 Section 4: The penalties for smoking in an indoor public place would be:

21 • First offense - issued a ticket and fined \$100
22 • Second there - issued a ticket and fined \$150
23 • Third offense - sentenced to jail for 6 months and assigned to anti-smoking classes'
24

25 The penalties for businesses not displaying NO SMOKING signs would be:

26 • First Offense- charged a fine of \$500.
27 • Second Offense - business is shut down for 4 months, then they may reopen if they have a sign
28 posted
29

30 Section 5: This bill will go into affect 6 months after passage so that businesses have time to make and
31 post signs.

1 An act to allow Kentucky teachers to carry licensed concealed firearms on school campus.
2

3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4

5 Section 1: This bill will allow teachers in Kentucky schools to carry a firearm on school property if they
6 have their concealed carrying permit. Teachers already have to pass a background check to be
7 employed and the concealed carrying class provides a firearm safety training. Teachers would be
8 required to submit official documentation of concealed carrying permit to the board of education.
9

10 Section 2: Teachers who wish to carry their licensed concealed firearm would also be required to
11 complete yearly training on Safe Crisis Management. This training focuses on preventing and
12 responding to dangerous situations. Safe Crisis Management is already taught and required of 3 to 5
13 teachers in each Kentucky school.
14

15 Section 3: This bill will be enforced by the Kentucky Department of Education and the board of
16 education in each school district. The Department of Kentucky State Police is authorized to issue and
17 renew licenses
18 to carry concealed firearms or other deadly weapons.
19

20 Section 4: This bill will not require any funding, as the teacher will be required to pay the expenses of
21 the concealed carrying permit training, as well as the purchase of the firearm. Safe Crisis Management
22 training is already being taught and paid for by Kentucky school districts.

1 An act to require all Kentucky public schools to employ a full-time guidance counselor.
2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4
5 Section 1: A certified school Guidance Counselor is considered someone who holds a Master's degree or
6 higher in Counseling. They work with school staff, parents, and the community to create a caring,
7 supportive climate, and atmosphere for students to achieve academic success. They help students
8 develop the skills and strategies necessary to succeed academically and socially. On top of that, a

10 Campus, reporting cases of abuse and neglect to Child Protective Services, managing 504 plans, KPREP
11 Testing, suicide prevention, teaching classes, and counseling students about day-to-day issues. In the
12 United States, only 24 states require public schools to employ a full-time Guidance Counselor.
13 Currently, the state of Kentucky does not require schools to have a full-time Guidance Counselor.
14
15 Section 2: This bill will require public schools to employ a full-time Guidance Counselor. It will effect all
16 public school students in the state of Kentucky. Students will always have a confidante available that is

18
19 Section 3: Each public school district will be responsible for funding the salaries of the necessary
20 Guidance Counselors.

1 An act to Grant All Nonviolent Felons the Right to Vote

2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4
5 Section 1: This bill will grant all incarcerated felons with a non-violent criminal charge the right to vote
6 in a local, state, or national election. Right now, when you serve jail time, you do not receive the right
7 to vote even if you committed a nonviolent crime such as DUI, arson, or embezzlement, etc. There are
8 over a million incarcerated felons charged with a nonviolent crime in the United States alone. In
9 Kentucky, 7% of the adult population is disenfranchised due to current or past convictions. That's 1 in
10 every 40 adults. this bill would allow for those nonviolent offenders to regain the right to have a voice
11 in an election.

12
13 Section 2: All felons would be required to register to vote by the established deadline. Proper
14 information will be provided by the prison or jail. Absentee Ballots will be used by the felons to cast
15 their vote in an election. Applications for absentee ballots will be made available to the nonviolent
16 felons and they will be responsible for filling out the application and casting their ballot by mail.

17
18 Section 3: There is no funding required for this bill. Felons can register, apply, and cast their ballots by
19 mail. Postage will be the responsibility of the felon. If a prison or jail does not allow nonviolent felons
20 to vote, they will lose funding provided by the Commonwealth of Kentucky. The jail may also be fined
21 \$1,500 with the penalty decided based on how many people did not get to vote in that election.

22
23 Section 4: This bill will take effect on January 1st, 2017.

Section 1: Drugs, as most of you know, have become a major issue in Kentucky as well as the whole country. Just in Kentucky, the rate of death caused by drug overdose has increased 13%. Most of these deaths occur when addicts first get released from jail after being incarcerated on drug related charges. our bill will break the cycle of addiction by making drug treatment mandatory for all addicts in jail. Jail or prison should be a place where people can get the help they need. Untreated drug offenders are more likely to relapse into drug use and criminal behavior, jeopardizing public health and safety and taxing criminal justice system resources. However, research also shows that treatment can help many drug using offenders change their attitudes, beliefs, and behaviors; avoid relapse; and successfully remove themselves from a life of substance use and crime. Treatment can cut drug use in half, decrease criminal activity, and reduce arrests.

Section 2: While some jails and prisons in Kentucky provide treatment for drug abusers, our bill will make drug abuse treatment mandatory for all felons arrested and jailed on drug related crimes. Drug addicts will attend classes and Cognitive Behavior Therapy that has been proven to be effective in treating addiction behaviors. This treatment in prison will be followed up with treatment by a community-based treatment program after release from jail.

Section 3: The funding for the program will come from the criminal justice budget for the state. Instead of spending millions, \$500 a second in our country, on fighting the war on drugs, we propose to focus more on helping users than the drugs. This program will actually save our state money in the future. Treatment consistently has been shown to reduce the costs associated with lost jobs, crime, and incarceration caused by drug use. Treatment can cut drug use in half, decrease criminal activity, and reduce arrests, If a felon refuses treatment, he/she will not be granted probation or parole for good behavior and will have to serve their full sentence.

Section 4: This will take effect on Jan. 1, 2018.

3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4
5 Section 1: Voting is one of our unalienable rights and every American deserves to have the right to
6 vote. If you were sent to jail and you serve your sentence, when you are released you aren't able to
7 vote ever again, at least in Kentucky. In fact, Kentucky is one of the 4 most difficult states for former
8 felons to vote gain their voting rights back after serving their sentence. Our bill would allow all ex-
9 felons to vote in all elections, national, state, and local. Right now more than 2/8 of our population
10 can't vote because they have a prior arrest and conviction, that's about 181,000 people. We believe
11 that after someone has served their time, they should be given back their right to vote - because that's
12 the fair thing to do and it makes Kentucky's Democracy stronger.
13
14 Section 2: Currently, in order to gain back the right to vote, ex-felons must formally petition the
15 Governor of Kentucky to pardon them. This is a long and costly process. Our bill would grant voting
16 rights to ex-felons who have served their sentence and completed their parole. A simple check of the
17 person's police record when registering to vote would show whether they have completed their
18 sentence and probation.
19
20 Section 3: The Kentucky State Board of Elections and the state Department of Corrections will be
21 responsible for monitoring the law and enforcing it. There is no funding required to carry out this bill.
22
23 Section 4: This bill will take effect on Nov. 8, 2018

1 An Act to Require a "No Smoking" Ban in all Public Areas of Kentucky

2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4
5 Section 1: The right to a healthy workplace is the responsibility of the employer to provide a safe and
6 healthy environment for the employees. While many workers choose to work in workplaces that permit
7 smoking, others may prefer not to be around smoke but persist because they need the employment.
8 The right of smokers to smoke, does not outweigh the right of an employee's health and livelihood for
9 their family. Smokers' unwillingness to control their urges should not force people to change jobs in
10 the name of personal health and welfare.

11
12 Section 2: Litter reduction is another important aspect. Cigarette butts account for millions of pieces
13 of litter annually, and detracts from a locations aesthetic. If smokers would dispose of their waste
14 properly when they are in public places, this would not be an issue. However, they do not. The
15 evidence is there, littering attractive buildings and the surrounding landscape with cigarette butts. A
16 smoking ban would reduce litter annually.

17
18 Section 3: When people smoke in public areas, they are causing more litter and a disturbance to the
19 people around them.

20
21 Section 4: This bill will be enforced by the Kentucky State Government

22
23 Section 5: This bill does not need additional funding.

24

- 5
- 6 Section 1: To allow teachers to get a tax break up to \$1,000 every year that they work for a school
- 7 system in the Commonwealth of Kentucky. Although some teachers get some school funding,
- 8 sometimes it is not enough to meet the needs of their classroom. According to Huffington Post
- 9 teachers spend \$4,000-6,000 of their own money to buy classroom supplies each year. By giving
- 10 teachers a tax break they will be refunded some of the money they spend on their classroom.
- 11
- 12 Section 2: A tax break is a special tax benefit given to promote specific economic or social objectives.

1 An act to prohibit smoking in a motorized vehicle with a minor present.
2

3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4

5 Section 1: In the Commonwealth of Kentucky, all persons will be prohibited to smoke in a motorized

14 lung cancer, respiratory illnesses, and asthma.
15

16 Section 4: This bill will cost nothing, because it just prohibits smoking in a motorized vehicle while a
17 minor is present.

1 An act to enforce Kentucky citizens to take a mandatory drug test before receiving and/or renewing
2 their driver's license.
3

4 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
5

6 Section 1: Kentucky is one of the leading states nationwide for methamphetamine users. Also,
7 Kentucky is a large cultivator of marijuana and averages third or fourth nationwide in its production.
8 Pharmaceutical drugs, especially Oxycontin, are emerging as a serious threat in Kentucky, particularly
9 in eastern Kentucky. Cocaine is readily available throughout Kentucky as well. These examples, as well
10 as many other types of illegal drugs, affect the citizens of Kentucky. This bill will decrease the chances
11 of accidental fatalities and collision of vehicles that are due to drug abuse, and aide in the fight to
12 lower drug use in Kentucky. The bill will also establish a database for Kentucky State Police for
13 recurring offenders and first time offenders. This database is essential for the safety of not only
14 Kentucky state-licensed drivers, but also those visiting the Commonwealth of Kentucky.
15

16 Section 2: This bill will affect Kentucky citizens attempting to receive or renew their driver's license.
17

18 Section 3: Kentucky citizens taking the driver's test or renewing their driver's license will have the drug
19 test fee added to the cost of their license. The additional fee for the testing will not exceed twenty
20 dollars.
21

22 Section 4: Violators of this bill will be charged with a Class B misdemeanor in accordance with KRS
23 525.100 Public Intoxication. The citizen will be prosecuted as enforced by KRS 525.100. The citizen
24 will also be put in a database for use by the Kentucky State Police. After fulfilling their court appointed
25 consequence they will be able to retest for their drivers license. If their test shows no evidence of drug
26 use then they will be granted the opportunity to test for their drivers license. If a positive result
27 occurs again they will be subject to second offender consequences per the appropriate drug laws.
28

Section 1: Our proposal in this bill is to enact a series of new and sweeping changes to the school safety procedures of the Commonwealth of Kentucky, as the current procedures are rather inadequate for the issues currently facing our schools, such as drugs, weapons, and fights. To this end, we propose that the backpacks of the students be replaced with clear ones, as well as training teachers in self-defense.

Section 2: The clear backpacks would be rather valuable asset to Kentucky's public schools, due to the fact that this cuts off a potential hiding spot for student's bringing in narcotics or weaponry. The cost of and individual backpack from Staples is \$24.00. Each school district in Kentucky along with the Kentucky Department of Education would incur these costs.

Section 3: For the self-defense training, the cost of an instructor would be approximately \$10-\$100 an hour, so the cost of the training would not be a problem, if KDE hired 4 trainers per region. Teachers are already required 24 hours of professional development trainings each year for a variety of subjects, so this could be added very easily.

Section 4: This bill, if passed, will enter a testing phase for two counties per region with a high rate of narcotic, assault, and weapon violations for the previous school year. If a noticeable drop in these types of crimes occur, full implementation of this bill will go into effect for the 2018-2019 school year.

1 An act to require coal mines to pump slurry from ponds created in their workspace.
2

3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4

5 Section 1: Slurry ponds are ponds created by coal mining and fracking. Coal slurry consists of crushed
6 coal and water which are to be separated when removed from the mines. When done incorrectly, it
7 results in a waste called black water. This is then stored in large ponds. These ponds contain coal
8 sludge rocks and mud. Dangerous gases come from these ponds and floods occur because of these
9 ponds. These often lead to casualties. Many slurry ponds are unstable and pose a threat to our lives.
10 This bill will combat contamination of ground water and make a safer environment for workers.
11

12 Section 2: We plan to require coal mining companies to own pumps to get rid of the sludge they
13 created. The coal mining companies will be required to pump out the slurry produced in the process of
14 mining/fracking and distribute it to companies who need the slurry. (ex. Slurry pavement companies)
15

16 Section 3: This law would be enforced by a regular inspector of coal mining facilities. There would be no
17 additional cost to the state of Kentucky as coal mine inspectors are already being paid to inspect the
18 mine sites. There will be additional costs to the coal mining companies as they will be required to
19 remove the slurry from the ponds.
20

21 Section 4: If guidelines are not followed or pumps are not used, then the specific coal company will be
22 fined 500 US Dollars per month of a violation.
23

24 Section 5: This law would go into effect on January 1, 2018

1 An act to amend the balanced budget requirements of section 171 in the Kentucky Constitution.
2

3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4

5 Section 1: This bill will amend section 171 in the existing Kentucky Constitution by adding specific
6 details on the process and penalties regarding the state budget.
7

8 Section 2. A balanced budget refers to a state budget in which revenue (incoming money) is equal to
9 expenditures (money spent). A fiscal year refers to an accounting year that begins on July 1 and ends
10 on June 30. A surplus refers to excess money.
11

12 Section 3: Kentucky Legislative Analysts will project the upcoming fiscal year's revenue based on the
13 previous year. The Kentucky legislature would then meet during regular session to determine how the
14 next year's funds will be distributed. The final budget would be required to balance at exactly zero. If
15 the legislature has surplus funds, those funds may be deposited in an account for future use. The
16 surplus would need to be documented on the budget so that the balance equals exactly zero.
17

18 Section 4. An additional requirement of each year's budget will be to establish and maintain a reserve
19 account of no less than 3% of state revenue. This reserve account will be used in the event of
20 unforeseen state expenses or emergencies. Passage of the state budget will require a majority vote of
21 the legislature. Any tax increases would require a 2/3 vote. The state legislature will not be allowed to
22 withdraw or borrow funds from any state retirement or pension system.
23

24 Section 5: If the legislature fails to pass a balanced budget for the upcoming fiscal year by the end of
25 the current fiscal year (June 30), members of the Kentucky Legislature will have their salaries
26 suspended and not be paid until passage of a balanced budget.
27

28 Section 6: This bill will come at no additional cost to the state of Kentucky and will require Kentucky
29 lawmakers to be financially responsible. This bill will allow Kentucky to pay off existing debts while
30 eliminating the possibility of acquiring new debts.
31

32 Section 7: This bill will go into effect for the 2017-2018 fiscal year. (July 1, 2017 - June 30, 2018)

- 1 An act to require all Kentucky public schools grades K-8 to employ a full-time Physical Education (P.E.)
- 2 instructor.
- 3
- 4 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
- 5
- 6 Section 1: This bill will require all Kentucky public schools that have students in grades K-8 to employ a
- 7 full-time Physical Education (P.E.) instructor. Currently, P.E. is a required credit in order to graduate
- 8 high school, therefore, high schools in Kentucky are required to have a P.E. instructor. However,
- 9 schools that have students in grades K-8 are not required to have a P.E. instructor. A recent study
- 10 showed that the rate of childhood obesity has more than doubled in children and quadrupled in
- 11 adolescents in the past 30 years. Currently, 18% of children age 6-11 are considered obese. Also,
- 12 according to a study done by the Centers of Disease Control and Prevention; children that have regular
- 13 P.E. classes tend to do better in the classroom by showing an increase in focus and test scores.
- 14
- 15 Section 2: The bill will positively affect the health of Kentucky public school children in grades K-8.
- 16 Having a P.E. instructor will teach students how to exercise, proper nutrition, and how to live a healthy
- 17 lifestyle. The benefits of physical activity include controlling weight, reducing risk of cardiovascular
- 18 disease, reducing the risk of Type 2 Diabetes, and improving health and mood.
- 19
- 20 Section 3: Each public school district will be responsible for providing the funding for the necessary P.E.
- 21 instructors.
- 22
- 23 Section 4: This bill will pertain to every school with grades K-8 in the state of Kentucky that doesn't
- 24 already have a full time P.E. instructor.
- 25
- 26 Section 5: The bill will go into effect before the 2017-2018 school year.

1 An act to Provide Stricter Punishments for Animal Cruelty in Kentucky

2

3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4

5 Section 1: According to the Legal Animal Defense Fund, Kentucky ranked at 50th place for the worst
6 animal cruelty laws nine years in a row. Additionally, about 90% of serial killers admit to hurting
7 animals before they harm humans. In Kentucky, animal cruelty is categorized as a class D felony, which
8 includes a minimum of 1 year in prison and a minimum fine of \$1000. This is further undermined by the
9 fact that criminals in Kentucky on average only serve around 1/3rd of their sentence. If this bill is
10 passed, stricter punishments will be allotted for the act of animal cruelty such as making animal cruelty
11 a class C felony, which would increase the maximum sentence to 10 years. Our bill will help Kentucky by
12 showing that animal abuse is a serious offense that will not be tolerated, and by taking away animal
13 abuser's chances of harming animals.

14

15 Section 2: If a case of animal cruelty is reported, that person will be investigated by the police or other
16 local authorities and if proven guilty will be sentenced to a punishment. Our bill will be enforced by the
17 police, who will carry out an investigation in the manner of which they already do; in addition, the
18 public may report animal abuse or signs of animal abuse to their local authorities. Signs of animal
19 abuse may include, but are not limited to; obvious wounds, being noticeably underweight, or having
20 bones that are clearly visible.

21

22 Section 3: To fund this bill, we will take a very minimal amount from the funds raised by the selling of
23 animal licenses. These funds will pay for the extra time animal abusers stay in prison. In addition, our
24 bill would increase the punishments for animal cruelty to a class C felony. This would increase the
25 minimum sentence to 5 years in prison, while keeping the minimum fine of \$1000.

26

27 Section 4: This bill will take effect at the beginning of 2017.

1 An act to Reduce Dating Violence in Kentucky by Implementing Educational Classes
2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4
5 Section 1: This bill will help to eliminate the amount of dating violence in KY. On average, nearly 20
6 people per minute are physically abused by a partner in the U.S. Three fourths of women will
7 experience dating violence in the U.S. alone. This is a problem not only in Kentucky, but also in the U.S.
8 Between 21-60% of victims will lose their jobs because of the violence. In the years 2003-2008, 142
9 people were murdered in their workplace by former partners and that number increased again between
10 2009-2015.
11
12 Section 2: With this bill, we well require a mandatory class, which will consist of watching a video 2
13 times a year for every grade 8-12. The material will get more intense as the students get older. This
14 bill will be enforced by the school board.
15
16 Section 3: We will partner with organizations such as "Break the Silence," "Break the Cycle", or "DVIP".

1 An act to Require Mandatory Drug Testing for Citizens Applying for Government Aid
2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4
5 Section 1: When applying for government aid, one has to go through many different steps to qualify for
6 that aid. Never in those requirements does it mention drug testing the applicants. If this bill takes
7 effect, it will help keep potential drug addicts from obtaining money by limiting their resources to
8 obtain these drugs which will keep our streets and our kids safer. This is important to the government
9 because if they provide money to drug addicts it's giving drug dealers the resources they need to keep
10 their drug business going.
11
12 Section 2: This bill will be carried out by police officers who are certified to give drug tests. They will
13 drug test government aid applicants and then report the results. This bill will be enforced by the police
14 departments of Kentucky, and will be overseen by the Kentucky Association of the Chiefs of Police of
15 Kentucky.
16
17 Section 3: In order to provide funding for our bill, a percentage of tax would be reallocated from the
18 Department of Health and Human Resources. The penalties for failing the first drug test are that the
19 applicant is admitted into drug rehabilitation and will not receive government benefits. For the second
20 offense they will get one month in jail and the third offense they will get an additional 3 months in jail,
21 and no benefits until they pass a drug test.

1 An act to have certain requirements to be eligible to receive welfare.

2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4
5 Section 1: This bill will make it so that if you want to receive welfare you have to meet certain
6 requirements. The first requirement is that you have to have or be in the process of getting a job. If
7 you do have a job you have to show proof that you have one and if you are in the process of getting a
8 job you must have interviews scheduled.

9
10 Section 2: If you are of the age of 55 or more then you will be granted welfare regardless if you have a
11 job or not.

12
13 Section 3: This bill will also create new governmental jobs. Since people on welfare must show proof
14 that they have a job or are searching for one someone must check this. To check this, citizens signed
15 up for welfare must turn in job interviews or a signed note from their boss/manager saying they are
16 still employed. To check this a new job must be created. So, depending on the population of the city,
17 city hall will have to make a new office or get an official to take the responsibility of checking all the
18 interviews and notes submitted.

19
20 Section 4: The money needed to pay for these new employees and offices will come from the surplus of
21 money the government will have because they will be giving welfare to fewer people than in the past.

22
23 Section 5: This bill will go into effect on January 15, 2018.

1 An act to diminish discrimination in the payment wages on the basis of gender.
2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4
5 Section 1: Kentucky currently does not have a law regulating the pay of all women and their many
6 ethnicities. As of 2016, white women make 79% of a white man’s dollar. African American women 65%,
7 Native American women make 59%, and Latinas just 54%.
8
9 Section 2: This bill would make it the employer’s responsibility to prove they aren’t discriminating based
10 on gender when it comes to employee wages, allow workers to discuss their pay without business
11 retaliation, and make companies who don’t equally pay their workers subject to harsher penalties.
12 Employees would also file a yearly report on their salary and any problems they have faced with
13 discrimination in the workplace. Also, if the employees believe that there is a major problem in this
14 area, they can file a report outside of the yearly one.
15
16 Section 3: Businesses will send a monthly report to the Kentucky Labor Cabinet discussing all
17 employees position, gender, race, and salary.
18
19 Section 4: This bill will not cost money.
20
21 Section 5: Any employer found in violation of this law would have the following fines which will help
22 fund the Kentucky Labor Cabinet.

24 • First Offense: \$100 fine per discriminative payment
25 • Second Offense: \$250 fine per discriminative payment
26 • Third Offense: \$500 fine per discriminative payment

1 An act to require each new parent to attend a parenting seminar.

2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4
5 Section 1: Kentucky does not currently have required pre-parental and parental classes for the whole
6 state. This bill will implement a system in which new parents will be able to understand how to care for
7 their child. In many cases parents can feel either overwhelmed and/or exhausted, or a lack of
8 responsibility because they don't know the proper way to supply their child with what they need, and
9 as a result, the child suffers greatly.

10
11 Section 2: Each parent of the child will have to take 12 hours of a parenting class by the time their
12 child turns one year of age. They may choose to start the class at anytime, and may take it as many
13 times as they feel needed. There will be day care centers at the buildings where the classes are taught,
14 so that parents don't have to worry about their child's care while taking the classes.

15
16 Section 3: At the end of each parent's 12 hours, they will take a brief test to verify that they know how
17 to properly provide and care for their child. If they fail, parents must take 3 additional hours
18 specifically on the content that they failed. Parents will take a test after each extra course they are
19 required to take, on the instruction they received. They must get every question correct to pass every
20 test, if they fail this test more than three times, extended help will be distributed to the parent.

21
22 Section 4: If there are parents with a child age 5 or under when this bill is implemented, they must take
23 the class by a year from the date the bill goes into effect. Parents will only have to take this course for
24 their first child, unless there is more than a 9 year gap between their children.

25
26 Section 5: This bill will require funding for the space and staff for these classes. Volunteers will be
27 encouraged and well trained. Each parent must pay \$60 for the 12 hour class, and \$20 for every
28 additional 3 hour class. Seeing that these classes are required to be able to care for their child, if it is
29 desperately needed, financial aid will be provided to those in need of it.

30
31 Section 6: The penalty for parents not taking this class within a year from their child's birth will be a
32 \$3,000 fine. If the class is not taken by another year (2nd birthday of child), the penalty will be a
33 \$7,000 fine. If the class is not taken by another year after second offence (3rd birthday of child), Social
34 Services may look into why and could temporarily take your child from your home. All the money
35 regarding these fines will be put into these parental classes.

36 Section 7: This bill will go into effect on July 14, 2017.

1 An act to require the speed limit of Kentucky interstates by increased to 75 mph with a minimum speed
2 of 50 mph.
3

4 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
5

6 Section 1: This bill would make all drivers have to go between 50-75 mph, rather 40-70, making for
7 faster travel and less stop and go traffic. For instance, as of right now it takes approximately 80
8 minutes to drive from Louisville to Lexington. This could shorten the travel time by five to ten minutes
9 allowing Kentucky drivers to reach their destinations faster than before.
10

11 Section 2: No one under 50 mph will be allowed onto any interstate within the state of Kentucky
12

13 Section 3: If you are caught in excess of 75 mph or under 50 mph, your punishment will be:

- 14 • First Offense: Verbal warning
- 15 • Second Offense: Ticket and \$120 fine
- 16 • Third Offense: Suspension of license for 1 week and a \$200 fine
- 17 • Fourth Offense: Suspension of license for 2 months and a \$300 fine
- 18 • Fifth Offense: Indefinite Suspension of license, up to 2 weeks of jail time and \$500 fine
19

20 Section 4: This bill would require the state to change the speed limit signs which would be paid out of
21 the transportation department budget.
22

23 Section 5: This bill will go into effect on June 1, 2017 to allow time to get new speed limit signs.

1 An act to require daily activity for middle and high school students.
2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4
5 Section 1: For most middle and high school students, the only daily outdoor activity they get is walking
6 outside. All day, students are sitting down, sometimes in classrooms that don't even have windows.
7 With this bill, we can encourage older kids to be more active during appropriate school days. Going
8 outside to walk around the school, bus loop or an athletic field can provide a mental break for
9 students, as well as provide them social time. This way, students can focus better in class.
10
11 Section 2: This bill will not cost our public schools any sum of money, nor will it require extra staffing.
12 Two days of the school week (selected by school administrators) will be used to have thirty minutes of
13 outdoor activity. Schools can choose which days they use and what time the activity will take place.
14 There will not be any outdoor activity required on days where it is raining, snowing or the temperature
15 is below 40 degrees.
16
17 Section 3: In the first case that a school does not participate in the outdoor activities, the principal
18 shall receive an official warning from their Board of Education. If their actions persist, the county
19 superintendent shall schedule a meeting with the principal to address the matter.
20
21 Section 4: With this bill, 6th-12th graders can be healthier and focus in class more than they do today.

1 An act to Require Part-time Employment for High School Students to Graduate
2

3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4

5 Section 1: Our bill will require students have a job for at least one semester in order to graduate from
6 high school. Research has shown that employers are troubled by graduates' lack of job skills. Many
7 report that young people are lacking in people skills and have trouble solving problems and
8 communicating effectively. Our bill will provide youth with experience in these skills that are lacking.
9 Having a part-time job will teach responsibility, build work experience, work ethic, insight into what it's
10 like to support themselves and their family, increase income, fill jobs in the state of Kentucky, and
11 decrease their chances of dropping out of high school. Having a job will also allow students to explore
12 jobs before choosing one. In addition, a study conducted by the National Research Council and Institute
13 of Medicine found that students who were able to balance school and work learned time-management
14 skills that made them successful later in life. Parents in America spend approximately 24.9 billion
15 dollars on their children between the grades of kindergarten through their senior year. If students had
16 a part-time job it would raise income for their expenses. A study done in 2000 by Singh shows that
17 students working more than 15 hours a week greatly affects in their academics, so we are not raising
18 the number of hours, but lowering it.
19

20 Section 2: Our bill will require students to take a class for one semester in high school to focus on skills
21 to make them more employable upon graduation. In addition, a part time job, for one semester will be
22 required with a minimum of 10 hours a week. According to the child labor laws, 14 year olds are legally
23 allowed to work 18 per week. A study done in 2000 by Singh shows that students working more than
24 15 hours a week greatly affects their academics, so we are not raising the number of hours, but
25 lowering it.
26

27 Section 3: Funding will be provided by the Kentucky Department of Education and be included in the
28 school's yearly budget - mainly hiring a teacher to teach the class and monitor the work experiences.
29 Each school district will be required to develop a plan for how the part-time job requirement will be
30 documented and reported to KDE. If a school district fails to develop a plan or provide the class,
31 funding from KDE will be decreased. The penalties for the students not participating will be failing to
32 meet the requirements for graduation.
33

1 An act to Eliminate Homework and Reduce Standardized Testing for Students in Kentucky.
2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4
5 Section 1: Think about this. How many of you have homework every week? Every day? Think about how
6 much stress is put on you throughout the week to finish that homework or study for that big test. Well,
7 studies have shown there is no positive correlation between doing homework and how well you perform
8 on courses or tests. Standardized testing also limits the amount of teaching and learning a student
9 gets and produces harmful stress. In Finland, which has the highest student achievement of any nation,
10 homework was eliminated and only one standardized test is given and their test scores for the end of
11 the year went up 30%! This shows how unimportant homework is! Our bill would eliminate homework
12 from Kentucky schools and reduce the amount of standardized testing students can do each school
13 year. This will relieve student stress at school and make it more enjoyable to go to school. The teachers
14 will actually have more time teach instead of grade homework or tests. This will also relieve stress at
15 home for you and your parents and give you time to spend with your younger sibling or play a game
16 with your family.
17
18 Section 2: Our bill will require all school districts in Kentucky to eliminate homework and reduce
19 standardized testing to one per year.
20
21 Section 3: The Department of Education will monitor the schools and make sure they are not assigning
22 homework and only require one standardized test per year. Superintendents in each district will limit
23 standardized testing to one per year (KPREP or similar test). Principals at each school will monitor their
24 teachers and make sure they don't assign homework.
25
26 Section 4: Our bill will take effect at the beginning of the 2017-2018 school year.

An act to Provide Special Training for Police Officers.

Be it enacted by the Youth Assembly of the Commonwealth of Kentucky

Section 1: Kentucky's homicide rate has risen to an all time high of 84 percent. This year alone there have been 58 recorded homicides. This poses a threat to the citizens of Kentucky. If you pass our bill, it would put more highly qualified officers on the ground to deal with the violence. By providing non-lethal weapons training, scenario training, and criminal submission training, police officers will be better equipped to deal with violence. Researchers have estimated that between 15 and 20 percent of arrests involve use of force. Injury rates to civilians ranged from 17 to 64 percent in use-of-force events, while injury rates to officers ranged from 10 to 20 percent. Most injuries involved minor bruises, strains and abrasions. Major injuries included dog bites, punctures, broken bones, internal injuries and gunshot wounds. Advances in less-lethal technology offer more effective control over violent suspects with fewer serious injuries. Providing training in the different types of non-lethal control will save the lives of citizens and police officers.

Section 2: The state police academy will implement extra use-of-force training tht also include de-escalation scenario training, non-lethal weapons training, and criminal submission training. the best way to decrease the use of deadly force by the police is to improve training so that officers learn not just how to shoot but when to shoot.

Section 3: The Police Officer Standards and Training board will provide the guidelines for the changes to an officers training. Taxes can be used to provide the equipment and salaries to better equip the police force in responding to acts of violence.

Section 4: This bill will take effect on Dec. 1, 2017.

1 An act to Create Cultural Understanding Between Police Officers and Citizens.

2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4
5 Section 1: The purpose of this bill is to create cultural awareness between police officers and the
6 citizens they serve. Already this year, 738 people who have already been shot and killed by police.
7 Black Americans are 2.5 times as likely as white Americans to be shot and killed by police officers, and
8 unarmed black Americans were five times as likely as unarmed white Americans to be shot and killed by
9 a police officer. Additionally 44 police officers have been shot in the line of duty this year. We need to
10 stop this violence. The intent of our bill to secure the lives of everyone in harm's way. Our bill will
11 require cultural awareness training of police officers. During the training, police officers will examine
12 stereotypes and cultural assumptions that are often held by the community and by the law
13 enforcement professionals who serve the community, and discuss the negative effects of prejudice and
14 discrimination. Currently, cultural awareness training is only required of dispatchers in Kentucky.

15
16 Section 2: The cultural awareness training would take place in officer schools and on-the-job. This
17 training will help the police officer gain an understanding of the differences between cultures. By
18 providing officers with information regarding different cultures and races, our bill will build community

1 An act to amend law KRS 211.676 to require mothers of infants with NAS to be charged with child
2 abuse.
3

4 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

5
6 Section 1: Amend law KRS 211.676 to require all mothers of infants diagnosed with Neonatal
7 Abstinence Syndrome (NAS) to be charged with child abuse instead of the rehab stated in the standing
8 law; hence being sent to prison for one (1) to ten (10) years depending on the severity. This is to be
9 determined by the judge.

10
11 Section 2: Neonatal Abstinence Syndrome (NAS) is a term for a group of problems a baby experiences
12 when withdrawn from exposure to narcotics; usually opiates, drugs with morphine like effects, such as
13 heroin and methadone.

14
15 Section 3: Neonatal Abstinence Syndrome (NAS) is caused when alcohol or drugs pass through the
16 mother's bloodstream into the baby's, causing a premature "addiction." This "addiction" continues after
17 birth and can cause tremors, crying, and in some cases, death.

18
19 Section 4: A test will be administered to the newly born child if any symptoms of NAS occur or if there
20 is anything else wrong with the child.

21
22 Section 5: This law applies to any mother who consumed drugs or alcohol while pregnant whose child
23 was then diagnosed with NAS (Neonatal Abstinence Syndrome).

24
25 Section 6: This bill will have no additional cost. The hospital would do the test on the baby with
26 suspected symptoms, regardless of this law.

27
28 Section 7: The Kentucky Cabinet For Health and Family Services will enforce this bill and will notify the
29 local police department to press charges on the mother accordingly and the court and arrest process
30 would begin when appropriate.

31
32 Section 8: Failure for hospitals to report three (3) offenses or more in three (3) years will result in a
33 shutdown of the obstetric unit (OB) for a time of six (6) months.

34
35 Section 9: This bill will go into effect three (3) months after passage.

- 1 An act to allow Kentucky governors to run two non-consecutive terms in the Commonwealth of
2 Kentucky.
3
- 4 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
5
- 6 Section 1: Kentucky Constitution Section Seventy-One (71) states the Governor shall be ineligible for
7 the succeeding four (4) years after the expiration of any second consecutive term for which he shall be
8 elected. This is needed in Kentucky because whether or not your terms are consecutive is irrelevant to
9 the service of our commonwealth. This will help Kentucky because it will allow Kentucky leadership that
10 is more experienced in office.
11
- 12 Section 2: This law will apply to the previous and current governor(s) of the Commonwealth of
13 Kentucky.
14
- 15 Section 3: Future governors would be able to serve two nonconsecutive terms of four (4) years. This bill
16 is not changing the total of two four-year terms which is eight (8) years total.
17
- 18 Section 4: Consecutive means to follow continuously. Current governors are allowed to serve two
19 consecutive four-year terms.
20
- 21 Section 6: This bill will have no cost.
22
- 23 Section 7: This law will be enforced by the Kentucky Board of Elections.

1 An act to establish Saturday as a voting day for specified elections.
2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4
5 Section 1: This bill establishes the first Saturday after the first Friday in November as the day for state
6 elections in Kentucky, except for state elections in Presidential election years. In Presidential election
7 year, state elections will remain on the first Tuesday after the first Monday in November.
8
9 Section 2: Polling places in Kentucky shall be open from 6:00 a.m. to 8:00 p.m. prevailing time for all
10 elections.
11
12 Section 3: In addition to the already specified reasons that individuals may vote by absentee ballot in
13 Kentucky, absentee voting will also be allowed, pursuant to the already established absentee voting
14 procedures found in KRS 117, when:
15
16 • An individual will be outside of the county where he/she is registered to vote during any of the
17 hours between 6:00 a.m. and 8:00 p.m. prevailing time on Election Day
18 • An individual's religious beliefs affect their ability to vote on the day of the election
19
20 Section 4: Voting is the cornerstone of a democracy, and establishing Saturday as Kentucky's statewide
21 Election Day will significantly increase Kentucky's voter turnout and allow Kentuckians greater
22 participation in the election process. This change in Election Day is necessary because Kentucky's voter
23 participation decreased by almost 50% from 2012 to 2015 (59.4% in 2012 and 30.7% in 2015);
24 Kentucky is in the bottom 10% of states for voter participation; Kentucky is one of only eight states
25 that does not currently allow early/absentee no-excuse voting; and, Kentucky currently closes its
26 polling locations earlier than all but one other state, making it difficult for people to get to the polls to
27 vote.
28
29 Section 5: The Kentucky State Board of Elections shall oversee the implementation of Saturday voting
30 in non-presidential election years, with the change in voting day to begin with the November general
31 election of 2018.

14 Section 4: Procedures to follow are outlined below:
15 • Step 1 - Student screening will be completed within the first two months of the year. If not a
16 letter will be sent home.
17 • Step 2 - If the screening is not completed within four months of the school year, a mandatory
18 meeting will be called consisting of school administration and parents.
19 • Step 3 - If the screening is not completed within four months of the school year, the student
20 will be suspended from school.
21
22 Section 5: If school administration deems there are extenuating circumstances, they will decide a
23 different course of action.
24
25 Section 6: The cost of this additional screening will be covered by most private insurance. In the
26 event the family has no insurance, the Kentucky Cabinet for Health and Family Services will fund any
27 cost incurred.
28
29 Section 7: This bill will go into effect at the beginning of the 2017-2018 school year.

1 An act to require all schools in the Commonwealth of Kentucky to refrain from assigning homework to
2 all students one day per week.
3

4 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
5

6 Section 1: This bill proposes that teachers may not assign any work to be completed outside of class.
7 This will affect all students from grades kindergarten through twelfth.
8

9 Section 2: Multiple studies show that students do not receive the recommended amount of sleep
10 because they spend time on school assignments. Anxiety rates have gone up tremendously recently,
11 and they could possibly affect a student's behavior and success in school.
12

13 Section 3: We would rely upon this bill to supply students with a short break from all school work. The
14 brain of a child needs at least 1 hour of exercise to get blood flowing. The reason we believe that
15 students should only receive a short break is because we support the idea of giving homework to
16 further develop education. If there was no homework at all, your brain would not be able to get the
17 necessary things it would need. If the brain doesn't function correctly for seven hours, it cannot go
18 straight to 1-4 hours of homework.
19

20 Section 4: At the beginning of each trimester or quarter, the administrative team will decide which day
21 will be without homework. Projects and tests cannot be scheduled for the day following the selected
22 night.
23

24 The principal of that specific school will assure that the teachers do not assign homework on the day(s)
25 no homework is supposed to be assigned. If they fail to comply three times, they must attend a
26 mandatory meeting with the school administration to discuss performance expectations and teaching
27 methods. Administration will discuss after the meeting to decide if further action should be taken. The
28 next step would be an administrative observation of the teacher.
29

30 This bill requires no funding.
31

32 Section 5: This will go into effect at the beginning of the 2017/2018 school year.

1 An act to require parents to complete a simple will at the time of their child’s birth
2

3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4

5 Section 1: This bill will require parents to complete a simple will for their child at the time of the child’s
6 birth. A simple will is a legal document for the distribution of a person’s estate. For the purpose of this
7 bill, the simple will’s sole purpose is for parents to appoint guardians for a child in the event of their
8 death. The simple will will be included in the newborn’s registration paperwork at the hospital. The
9 parents will complete the simple will before leaving the hospital.

10

11 Section 2: Kentucky has on average 7000 children in the foster care system. By keeping the simple will
12 with the child’s birth registration paperwork, it will help ensure that guardians are appointed for
13 children in the event of their parent’s death. If this bill is passed, it will reduce the number of children
14 in the foster care system and will also eliminate possible custody battles.

15

16 Section 3: This bill will be overseen by individual hospital administrations. There will be no cost to the
17 Commonwealth of Kentucky.

18

19 Section 4: This bill will go into effect May 2017.

1 An act to require all prison systems to install rehabilitation centers in their facilities.
2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4
5 Section 1: This act will allow imprisoned citizens to receive free alcohol and drug counseling. Right now
6 only 40% of federal, state and local adult and juvenile correctional facilities offer drug and alcohol
7 counseling. This is a shocking fact considering the U.S. constitutes 25% of the world's prison
8 population. The majority of those imprisoned are drug addicts.
9
10 Section 2: The state's government will enforce the facilities. This bill will allow imprisoned citizens to
11 receive free help dealing with their addictions.
12
13 Section 3: Installing rehabilitation centers would:
14 • Reduce relapse
15 • Reduce criminality
16 • Reduce recidivism
17 • Reduce Inmate misconduct
18 • Increase the level of the offender's stake in societal norms
19 • Increase levels of education and employment upon return to the community
20 • Improve health and mental health symptoms and conditions
21 • Improve relationships
22
23 Section 4: This bill will go into effect on August 1, 2017.

1 An act to eliminate the penalty for not having medical insurance.
2
3 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
4
5 Section 1: Often Kentuckians live in endless poverty. Struggling to pay their bills and expenses, they
6 live in constant debt. Currently hundreds of citizens living in Kentucky, are unable to afford healthcare
7 and are fined because of this, actually making it more difficult for them to obtain health insurance, let
8 alone there basic needs. 3 out of 20 people are penalized due to this issue. Penalties to this offense
9 include additional fines and even jail time. with all of theses endless expenses, some may ask, why try?
10
11 Section 2: This bill will not only be expense-free to Kentucky, but will also help decrease Kentucky's
12 rising prison populations, therefore potentially saving Kentucky's money. This bill if passed will be
13 enacted January 1, 2017.
14
15 Section 3: This bill is crucial for Kentucky citizens because a fine will not help them pay for their
16 insurance but however, make it harder, creating a never-ending cycle of poverty. These people deserve
17 the right to put their money where they feel it needs to be instead of what the government tells it to
18 be.
