- 1                   An act to distribute Kentucky legislative pension information to the public
- 2
- 3                   **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
- 4
- 5   Section 1: Pensions are tax-payer funded lifetime benefits that are added on to legislator’s salaries as
- 6   well as their retirement. Pensions are controlled by the legislators, allowing them to fund their retirement
- 7   with as much or as little money as they want. This bill proposes to shed transparency on these pensions,
- 8   which are currently hidden from those funding it (citizens).
- 9
- 10   Section 2: The Kentucky Legislation will be required to disclose all records of the Kentucky budget
- 11   allocated for pensions on the Kentucky Legislative Government website. This will include previous
- 12   records, current budgets, and plans for the future.
- 13
- 14   Section 3: This proposal will have no cost to the Commonwealth. It will be monitored and enforced by the
- 15   Kentucky Retirement System Board of Trustees.
- 16
- 17   Section 4: This bill will go into effect immediately after passage
