1                   An act to require all Kentucky public schools to include a recycling bin in each classroom.  
2  
3                   **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**  
4  
5   Section 1: Currently, public schools in the Commonwealth are only encouraged to develop recycling  
6   programs. As a result, many Kentucky schools do not incorporate recycling bins in the classroom  
7   environment.  
8  
9   Section 2: This bill requires all Kentucky schools to include a paper recycling bin in all classrooms. This  
10   would decrease the amount of paper in landfills, conserve natural resources, and reduce greenhouse gas  
11   emissions.  
12  
13   Section 3: The state of Kentucky will provide the number of recycling bins needed for each school. The  
14   state will also provide a driver to transport recyclables to a management facility, and any other necessary  
15   funding.  
16  
17   Section 4: This bill will be enforced by the state of Kentucky.  
18  
19   Section 5: This law go into effect immediately after passage.
