An act to require drug testing for all school athletes.

Be it enacted by the Youth Assembly of the Commonwealth of Kentucky

Section 1: This bill would require that in each new season of a sport, all players must be tested for any and all illegal drugs.

Section 2: These tests will be conducted by either blood or urine testing. Athletes will have a choice to what option he or she prefers.

Section 3: The Kentucky High School Athletics Association is responsible for the costs of the drug testing.

Section 4: If the student tests positive if will be suspended for 30 days of the current season. He or she will then be tested a second time: If he or she test positive again they will be suspeded indefinitely from any sport until further notice.

Section 5: Drug tests will happen two times per school year.

Section 6: This bill will go into effect on August 1st, 2015
