1                   An act to require the labeling of GMO's at franchise restaurants in Kentucky.

2  
3                   **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**

4  
5   Section 1: All restaurant franchises would be required to have a listing or change their menus to show the  
6   use of all GMO products.

7  
8   Section 2: GMO's are genetically modified organisms. They are plants and animals whose DNA has been  
9   chemically altered by humans. A restaurant franchise is any restaurant that has three or more locations,  
10   that serve customers, and share a company name.

11  
12   Section 3: This bill would be enforced by the Kentucky Department for Public Health on a state level during  
13   inspections. Customers will be encouraged to notify the Kentucky Department for Public Health of any  
14   violations.

15  
16   Section 4: This bill would not cost Kentucky any money.

17  
18   Section 5: The first consequence for not following this act would be a \$1,000 fine for that specific  
19   restaurant location. The second consequence, to the same restaurant location, would be \$5,000. If the  
20   same restaurant has a third offense, there would be a force of closure. The fourth consequence to the  
21   franchise would result in the closure of all businesses in Kentucky.

22  
23   Section 6: Upon passage, this bill will be go into effect May 16, 2015.
