- 1 An act to require all newly built prisons and jails to not be built with in any one-mile radius of any public
- 2 places.
- 3
- 4 **Be it enacted by the Youth Assembly of the Commonwealth of Kentucky**
- 5
- 6 Section 1: Many times when someone escapes from a prison or jail they might try to revenge being put in
- 7 prison. This is very dangerous. This will help stop from having escapes. The public will feel much safer.
- 8
- 9 Section 2: This bill is to make it so new jail and prisons can't be built with in a one-mile radius of
- 10 and public places including schools and houses. All new building has to be an approved by the planning and
- 11 zoning committee so this will not cost any more state or county funds. If any existing jails or prisons are
- 12 with in and one mile radius of any buildings there will be 1 guard for every 10 prisoners. This will only cost
- 13 about 16.50/hr for each extra guard. Taxes will pay for this.
- 14
- 15 Section 3: The effect of this bill will be that the public will be safer. This will also raise the public opinion of
- 16 the government.
- 17
- 18 Section 4: This bill will go in to effect on January 1, 2015.
