

Student Y Bulletin - August 2019

Welcome to Student Y!

My name is Rianna Ayala and I am the new Program and Chapter Coordinator for the Kentucky YMCA Youth Association. I am excited to work with each and everyone one of you and to see the amazing things you all have done and will continue to do so in the future.

I will be here to support you through your time with Student Y as well as work with you to navigate your work on service projects, civic engagement, and the many YMCA programs.

Thank you for this amazing opportunity!
