Our alumni call each other family, they call our conferences home. We know that they're always going to be Y-Kids at Heart. The thousands of people who have been participants of Kentucky YMCA programming are our motivation to continue doing what we do. They inspire us every day with their advocacy, passion, poise, and friendship.

With programs like Kentucky Youth Assembly (KYA), Kentucky United Nations Assembly (KUNA), and Conference on National Affairs (CONA) students are taught about government, debate, and the various cultures in our Commonwealth, country and world. Go For It (GFI) and Leadership Training Conference (LTC) students are taught about themselves and how to be a leader and serve other. We work for our students and alumni who inspire us, but the students need our help to attend our conferences.

Each year more students attend our conferences and need financial assistance. This is where you come in. We need you to help our students and future student attend life-changing conferences that help them learn, lead, and serve. The KY YMCA is depending on generous donors like you to allow us to continue to make a difference in the lives of Kentucky youth.

Leadership for a lifetime.

**WE'VE RAISED  
\$300**
