

THE KY YMCA PRESENTS: COMMONWEALTH TEEN ADVOCATES

WHY JOIN CTA?

By joining this program, you will:

- Learn how change happens in your local community
- Build real-world skills like public speaking, research, and teamwork
- Work with local leaders and guest speakers who are creating impact every day
- Collaborate with peers who care about making a difference, just like you
- Create and present a group advocacy project that reflects your passions and voice
- Showcase your work at the Kentucky Youth Assembly (KYA)

Whether you've been involved in leadership before or this is your first time speaking up, this program is for YOU.

A LEADERSHIP & ADVOCACY EXPERIENCE FOR KENTUCKY TEENS

Join a dynamic six-week program designed to empower high school students across Kentucky to become changemakers in their communities! Hosted by the Kentucky YMCA Youth Association, Commonwealth Teen Advocates (CTA) blends civic education, hands-on projects, and real-world connections to help you turn your passion into action.

Each week, you'll meet in small groups for interactive workshops led by adult facilitators, explore topics like government, public speaking, and professional development, and hear from inspiring local guest speakers. You'll work with peers to develop and present a group advocacy project—then showcase it at your Kentucky Youth Assembly (KYA) conference!
